# **General Information**

### Welcome to Table 267

This timetable has been created by RailwayData.co.uk and contains details of services on the Exmouth - Exeter - Okehampton & Barnstaple route, Valid from 06 October until 14 December 2024. It was last updated on the 06th of October 2024.

In addition to timetables for other lines, including London Underground and light rail networks throughout the UK, our website contains line files, gradient profiles, station details, mileages, signalling and much more!

The ticketing and fares structure of the British railway network is vast and complex, and as a result, we have been unable to include this information within our timetables. Details of how much your ticket will cost can be found on the many Train Operating Company websites and apps, or for more advance users, by visiting the Railway Data Centre Fares Pages.

When making a connection between trains, it's important to know how long is needed to do so comfortably. Here are the minimum connection times for stations in this table:

Exeter St Davids - 6 minutes

All other stations - 5 minutes
