Weymouth - Upwey - Dorchester

---

Valid from 06 October until 14 December 2024 - Last updated 06 October 2024

# General Information

## Welcome to Table 287

This timetable has been created by [RailwayData.co.uk](https://www.railwaydata.co.uk) and contains details of services on the Weymouth - Upwey - Dorchester route. Valid from 06 October until 14 December 2024. It was last updated on the 06th of October 2024. In addition to timetables for other lines, including London Underground and light rail networks throughout the UK, our website contains line files, gradient profiles, station details, mileages, signalling and much more!

## Fares & Tickets

The ticketing and fares structure of the British railway network is vast and complex, and as a result, we have been unable to include this information within our timetables. Details of how much your ticket will cost can be found on the many Train Operating Company websites and apps, or for more advance users, by visiting the [Railway Data Centre Fares Pages](#).

## Connections

When making a connection between trains, it's important to know how long is needed to do so comfortably. Here are the **minimum connection times** for stations in this table:

**Dorchester West** - 2 minutes

**All other stations** - 5 minutes

## About Us & Feedback

Formed in 2012 with an aim to release data in different and unique formats, The Railway Data Centre is an independent supplier of transport data, with a constantly growing library of features. We wouldn't be where we are today without the comments, suggestions & feedback of its users - and for that, we're truly grateful! There are many ways to get in touch, so if you would like to drop us a line, please visit our website to find out how.

The **second** character is a letter, and represents the route a train takes.

The **third & fourth** characters are incremental digits that identify a specific train.

- 1** Class 1 trains usually represent express services
- 2** Class 2 trains usually represent local stopping services
- 3** Class 3 trains usually represent a higher priority Empty Coaching Stock (ECS) move
- 5** Class 5 trains usually represent standard & lower-priority ECS moves

**Other** classes of train represent freight and some departmental services

## Train Operating Companies (TOCs)

**GW** Great Western Railway

**SW** South Western Railway

## Reservation & Accommodation Symbols

-  First class accommodation is conveyed on this train.
-  Sleeping berths and first class seating are available on this train. Reservations compulsory.

## Timing Load / Traction

Most journeys contain timing load and traction details. These records are used for scheduling purposes and help to differentiate between slower & faster trains. As a result, shown traction is not guaranteed to operate and is sometimes erroneous, but can give an overview of what to expect.
