### About Us & Feedback

Formed in 2012 with an aim to release data in different and unique formats. The Railway Data Centre is an independent supplier of transport data, with a constantly growing library of features. We wouldn't be where we are today without the comments, suggestions & feedback of its users - and for that, we're truely grateful! There are many ways to get in touch, so if you would like to drop us a line, please visit our website to find out how.
